Dear Kevin

**RE: GUERNSEY AIRPORT TERMINAL REDEVELOPMENT - PROJECT NO 8584
- Gilpin**

I would like to congratulate you on your selection of Gilpin to carry out the demolition works for the Airport project.

Gilpin, lead by Gary Giles on site, have acted in a very professional manner throughout their time here. I do not recall seeing a better organised or controlled demolition job in my years in construction and would recommend the use of the company for any future projects involving demolition.

Yours sincerely
For and on behalf of
