Dear Sirs,

RE: CTC RM LYMPSTONE – Modernisation of Heating and Water

Please take this letter in confirmation of our appreciation of the professional and efficient way your company carried out the removals of L014 Boiler House at the above site.

We would like you to pass on our comments to all your site personnel involved with this work.

If we have any work like this in the future you can be sure you will be our first contact.

Thanks again.

Yours faithfully
