Gilpin Demolition  
22, Courtenay Park,  
Newton Abbot  
Devon

Dear Mr Gilpin

On behalf of RAPID UK I would like to thank you and your staff for their help and co-operation on our recent five day assessment exercise. It is getting more and more difficult to find demolition sites for the vital training needed to keep a search and rescue team prepared for operations overseas, and we thank you for your support.

Please can you pass on our thanks to Gary and his team at St Austell, for the help they gave us in preparing the site for our benefit. I hope we can call upon you again in the future.

Best wishes

  
Director RAPID UK
