Dear Sam

Re: Demolition of Multi-storey Car Park

On behalf of the Chamber I would like to pass on a vote of thanks for a job well done with the least possible inconvenience. Could please also pass this on to your team on site. It's good to see something actually happening and with the good work you have done so far we hope you get the contract for the rest of the demolition. If you would like to check out our web-site we have covered the event on the news page and also on the car park demolition link off the regeneration page. In this day and age all you hear about are complaints and things that have gone wrong so we thought it was about time to hand out a few medals.

Again many thanks.

Kindest regards

Yours sincerely,
