## **Limitations**

URS Scott Wilson Ltd ("URS Scott Wilson") has prepared this Report for the sole use of MVV Umwelt GmbH ("Client") in accordance with the Agreement under which our services were performed, signed and dated 28 May 2009. No other warranty, expressed or implied, is made as to the professional advice included in this Report or any other services provided by URS Scott Wilson.

The methodology adopted and the sources of information used by URS Scott Wilson in providing its services are outlined in this Report. The work described in this Report was undertaken between May 2009 and April 2011 and is based on the conditions encountered and the information available during the said period of time. The scope of this Report and the services are accordingly factually limited by these circumstances.

Where field investigations are carried out, these have been restricted to a level of detail required to meet the stated objectives of the services. The results of any measurements taken may vary spatially or with time and further confirmatory measurements might need to be made after any significant delay in issuing this Report.
